

Congratulations on your upcoming 50<sup>th</sup> reunion from the University of St. Francis! We started a tradition at USF and would love to include and honor you at our May commencement ceremony. The class of 1973 will process down the aisle with the graduating class of 2023 in full graduation regalia with an “alumni” banner. President Arvid C. Johnson, Ph.D. will also formally recognize you during the ceremony.

The classes who precede you have truly enjoyed this experience and have encouraged others to participate if they are able. It’s a very memorable experience and a genuine reflection of the legacy you’ve left at St. Francis.
